*"A new year... A fresh, clean start!  
It's like having a big white  
sheet of paper to draw on!  
A day full of possibilities."*

— Bill Watterson

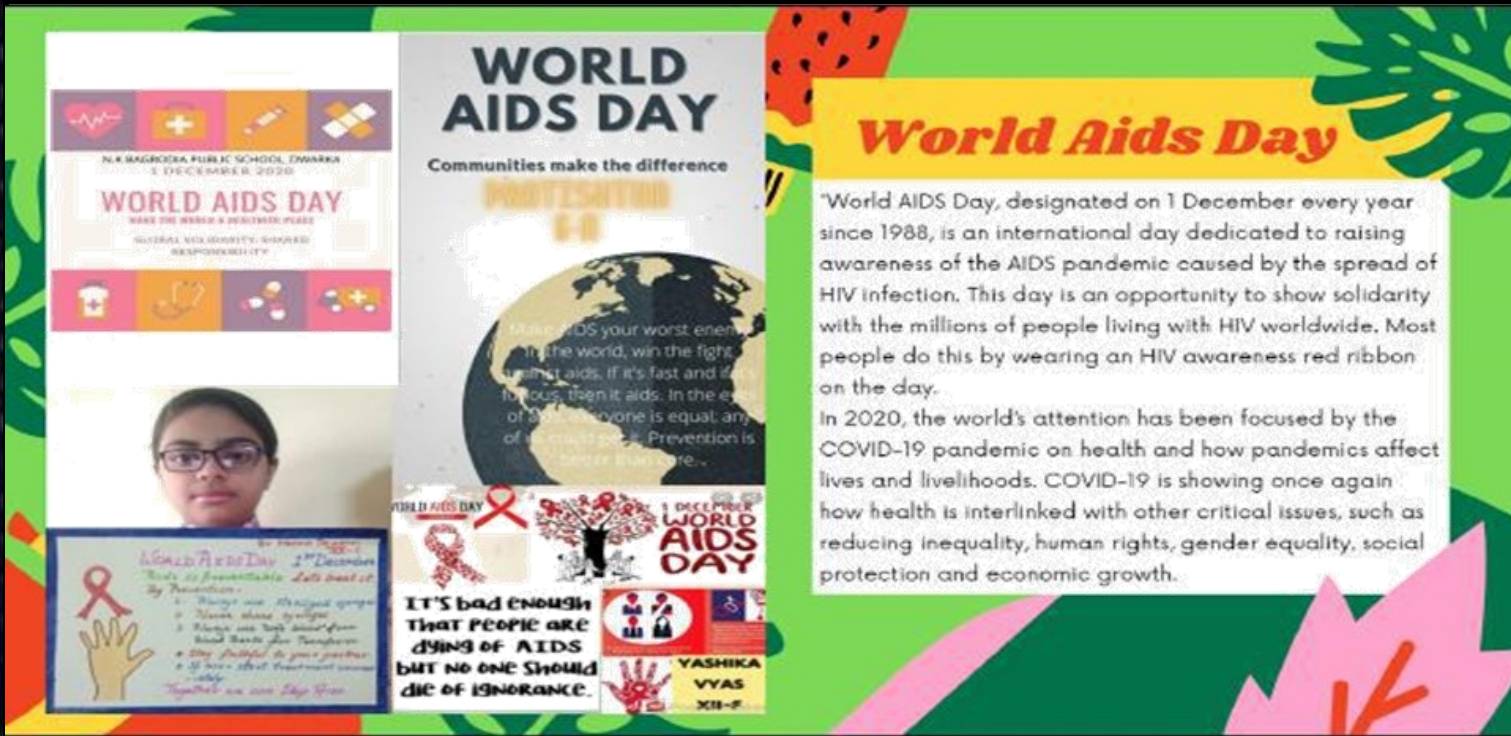

**A**s the world bids goodbye to a year to welcome another, people have come together with their friends and families on New Year's Eve to celebrate the joyous occasion with a lot of gusto. New Year 2022 exemplifies happy beginnings, renewed energy and hope for a better year. Entering into a dewy year is synonymous of embarking on a new journey. This newness is remarkably illustrated by the Crescent Moon which literally means to grow and increase, and the making of dreams into reality. The past two years ;2020 and 2021, have been challenging because of the Covid-19. Therefore, the hope for 2022 to be a great year is very much on everyone's mind. A new Corona variant has already come into the world and has a knock-on effect on the entire population. It is the time to safeguard ours as well as others lives. The New Normal is to always follow Covid appropriate behaviour as much as possible – as it is wisely said "Precaution is better than cure" . At the outset of a new beginning, obscure challenges may strike you with force but the only elixir to overcome their effects is an amalgamation of persistence, resilience and optimism.

Let us all cheers to this moment and enter this new year with a gratitude for innumerable opportunities and possibilities to create our dreams.

ARMED FORCES FLAG DAY  
7 DECEMBER

**"It is our duty to not only show our admiration for the martyrs and the living heroes who were wounded while doing their duties but also their families who have been a crucial part of this sacrifice."**

The theme of Human Rights Day 2021 was "Reducing Inequalities and Advancing Human Rights". **16 DECEMBER**

"THE TRUE SOLDIER FIGHTS NOT BECAUSE HE HATES WHAT IS IN FRONT OF HIM,  
BUT BECAUSE HE LOVES WHAT IS BEHIND HIM."

"The true Soldier fights not because he hates what is in front of him, but because he loves what is behind him."

Keeping the spirit of the thought intact, Vijay Diwas is celebrated on December 16 to commemorate the victory of India over Pakistan in the 1971 war. On this day, India had won the war against Pakistan after fighting for a period of 13 days. The Pakistan forces chief, General Amir Abdullah Khan Niazi surrendered to the Indian Army after their defeat in the war. Therefore, one should not forget the sacrifice of fearless soldiers who fought in the war. The students provided some patriotic quotes, messages, wishes, etc. to educate their peers, family and friends. On this important day, the school took the initiative to spread awareness amongst the general public, thus hoping to spread the message of nationalism.

Every year, December 16 is celebrated as the Victory Day of Bangladesh. To commemorate the victory over Pakistan in 1971, India has also decided to celebrate the day as 'Vijay Diwas'.

The day also remembers India's entry into the liberation war fought in East Pakistan, which is now Bangladesh.

**AMAR  
JAWAN**

Let those who come after, see to it that these names be not forgotten. For they who at the call of duty, left all that was dear to them. Endured hardships, faced dangers and finally passed out of sight of men. In the path of duty and self-sacrifice. Giving their lives that we might live in freedom.
